

Know Your Options: Medicaid and Asset Protection Essentials

Having a good estate plan does not mean that you have a good asset protection plan. What is a good asset protection plan? Come to this essential and absolutely FREE presentation and find out.

Who should attend this seminar:

- * those who are worried about the costs of long-term care using up all of their hard-earned assets;
- * those who are worried about how to afford nursing home care, which costs between \$10,000 - \$14,000 per month;
- * those who think giving a house to children is a good way to protect assets;
- * those who had a "living trust" prepared in the last 25 years;
- * those who think that Medicare will pay for long-term, skilled nursing care;
- * those who are caring for their adult children with special needs;
- * those who own real estate in addition to their primary residence;
- * those who are considering changing their accounts to joint accounts with a child;
- * those who may have a spouse or loved one who may need skilled care in the next five years; and
- * those who are currently serving as a caregiver for a loved one.
