Carroll Engineering Announces New Promotions

(Warrington, PA) Carroll Engineering Corporation would like to congratulate four key individuals on their recent promotions within the organization: Allen B. Mason, P.E. has been named Executive Vice President, Justin M. Coyle, P.E. has been promoted to position of Vice President, William N. Malin, P.E. has been promoted to Vice President and Manager of the Authority/Municipal Department, and Michael J. McCarey, P.E. has been promoted to the position of Assistant Manager of the Authority/Municipal Department.

Mr. Mason joined CEC in 1997 and for the last 15 years has served in the role of Authority/Municipal Department Manager. His promotion to Executive Vice President is a representation of Allen's high performance and continued commitment to upholding CEC's values and maintaining client relationships. Allen also serves as the Corporate Secretary and has been a shareholder since 2011.

Mr. Coyle joined CEC in 2016 and has served in the role of Structural Department Manager as well as Municipal Engineer. His promotion to the position of Vice President recognizes Justin's work in guiding and advancing CEC'S Structural Department, as well as his efforts in expanding CEC's geographic reach in Lehigh Valley's municipal marketplace.

Mr. Malin joined CEC in 1987 and he has been a shareholder since 2011. He has served in a variety of leadership roles both within the Authority/Municipal Department and in its predecessor groups and departments. His promotion to the position of Vice President and Manager of the Authority/Municipal Department recognizes the many contributions Bill has made to CEC during his tenure with the organization.

Mr. McCarey joined CEC in 2007 and became a shareholder in 2017. Mike has been successfully leading projects both large and small and has been at the forefront of staff development for new hires in both the Authority/Municipal and Construction Observation Departments.

"The Board of Directors is appreciative of all the hard work and dedication shown by each of these individuals. We see these promotions as vital to the continued success of the Company, both now and in the future." said President, Thomas A. Gockowski, P.E.
