Your Support Changes Lives!

Youth homelessness is a growing problem in our community. Over 7,000 young people in Philadelphia region will experience homelessness in the coming year. Many young people run away from home to escape abuse and trauma. Founded in 1973, Valley Youth House provides emergency shelter, housing, counseling and life skills training to youth experiencing homelessness and young people in the foster care system. Proceeds from the Valley Youth House Golf Tournament will support these critical programs and services. Learn more at www.valleyyouthhouse.org.
